AUTHORHOUSE, United States, 2014. Hardback. Condition: New. Language: English. Brand new Book. By the small presentation this book represents in much deference to all of our histories. Without distraction, the core of our problems are openly expressed through our own United Nations gathering. I have not said format, because that is still in the making, in time the United Nations will fit the plan of its original intention. But only if to turn and face the mirror to see the reflection, United species! For our first key to fit the lock we have to join in compliance with what we in species have been doing since the year dot, progressing? The second key trips the lock in knowing of our efforts above chance to understand purpose far exceeds procreation! Both to have exposed our position to be different than the vast collection of...
